

# Informations regarding Coronavirus COVID-19

Dear Client,

Due to the Coronavirus outbreak, NEUERO Industrietechnik would like to inform you about our current situation.

Our business operations are currently continuing. Your inquiries and orders will be processed as quickly as usual and your contact persons will continue to be at your disposal.

So far, no serious delays have occurred, but we cannot preclude them for the future, as further developments may change daily.

Pandemic risk plans are part of our emergency precautions and we have implemented appropriate measures for our operations. We will make every effort to ensure the smooth processing of your orders.

In particularly urgent cases, I would ask you to contact us as soon as possible to find a suitable solution. To all others we wish much strength and perseverance to overcome this crisis.

**WE WILL KEEP YOU UP-TO-DATE WITH CHANGES ON OUR WEBSITE.**

From NEUERO we wish everyone the best of health!

With kind regards,

Your NEUERO Industrietechnik Team

**Do not hesitate to contact us if you have any questions.**

## **Your Specialist for Shiploading and Unloading:**

- NEUERO is the worldwide specialist in pneumatic ship unloading and mechanical ship loading.
- NEUERO follows the “Made in Germany” tradition with more than 100 years of experience in the production of reliable and tailor-made conveyor systems.
